

COLORADO SPRINGS AIRPORT (COS) INFORMATION

Colorado Springs Airport is approximately 8.3 miles/15 minutes from The Broadmoor. COS boasts multiple carriers that offer varied routes to virtually all cities in North America and major cities worldwide. This ultimately allows the airport to provide convenient flight schedules and competitive airfares. The airport handles around 110 arrivals and departures per day and is served by nine airlines. COS has non-stop service to 15 U.S. cities, as well as convenient connecting flights.
